DR. BLEDSOF'S ALTERATIVE COMPOUND
The Remedy over all Remedies for the Dissusses of the Liver
Dyspepsia, Enlargement and Inflamation of the Spleen
Hearburns, Colic Flatalence, Piles, Constitution, all diseases of the Borels, and such diseases as arise from a disorderd state of the Stomach, Liner or Boxels, as Savafula and Sores of any kind. For General Debility,

Secofula and Sores of any kind. For General Debility, from which Ladius frequently eaffer, there is not its equal in the whole Mutaria Medica.

THE inventor of this preparation was for three years a completely prostrated from Dyspepsia and imativity of the Liver that he was frequently for weeks at a time unable to raise himself from his bed. He sought aid from physicians at home and in Europe, but in vain; his case was prenounced hopeless by thousands, and it was by acceldant that he supceeded in coring himself. Since he has been practicing naglicine, his success in such cases has been unrivalled. He has been aware of the incredulity of the public, and consequently said nothing through the press of his own case, until the character of the medicine was fully established by its success, as above by the cartificates which have been advertised.

I subjoin the certificate of Prof. M. Garnary, of Memphis, I subjoin the certificate of Prof. M. Garnery, of Memphis,

Tenn, with whom I often advised during the time of my suffering. Мемень, Тепп., Аргіі 17, 1852. I bereby certify that I have been acquainted with Dr. J.
N. Bledsoe and some years ago he was reduced I on eve lower than I have ever seen any one that afterwards recovered, with what I supposed to be Dyspepsin and Liver affection, and after trying the prescriptions of many Physicians in this as well as other countries, without relief, he finally succeeded with a preparation of his own in height restored to good

publication.

HUNTSVILLE, January 12, 1872.

Dr. BLEDSOR:—I take the liberty and fell it to Le my daily to recommend to all persons suffering from disease of the stomach and bowels, your Alterative Compound, as a very scometh and sowers, your Alternative Compounts, as a very seperior medicine. My son, aged 15 years, had been under medical treatment about five years for dyspensia and diar-rhau—when having almost despaired of his recovery, I con-cluded to try your Alternative, two bottles of which, I believe,

Dr. Berdson:—Some time has elapsed since I gave a cer-tificate that my wife had been greatly benefited by your Alterative Compound. I now take pleasure in saving to the public, that my wife had for theer or four years been bject to the worst kind of spells of eramp in the stomach the best physicians in the place and a great many differen medicines, with momentary relief. Being persuaded to try your alterative compound, I did so—and I am happy to say that it has entirely cured her; and I would conscientiously recommend it to all persons suffering from diseases of the liver and dyspepsia.

N. B. ROBERTSON.

Dr. Bernson — Having seen the publication of your Alter-ative Compound, I think it my duty to say to the public, that I had been for years subject to spells of Cramp Colle, in its worst form; that I had tried almost every thing that is given by physicians, and never found any thing that would cer-tainly relieve me, until I tried the above medicine, which has tainly relieve me, until I tried the above relieved me in every attack in less than an hour.

WM. B. LLOYD.

Giles County, Tenn., Dec. 23, 1851.

Du. Blanson:—I feel that I should fall short of my duty o you and to those who are afflicted, were I not to further recommend your Alterative Compound. It has entirely re-heved me, so that I have not had gause to take anything in two months. I can eat anything I want with inpunity, and believe my health is as good as it ever is at my advanced age. Should I ever suffer from dyspepsia again I shall be sure to call on you. I am very respectfully your friend.

ELIZABETH J. HARWOOD.

HUNTSVILLE, Ala, August 24, 1851.

This is to certify, that I had suffered for many years with Dyspepsia and Diseases of the Liver. Physician after Physician had prescribed for me without my receiving any benefit, when I commenced the use of Dr. Bledsoe's Alterative Compound, which cured me soundly, and I recommend it because of the same happy effect upon others of my acquaint ance.

JOSEPH CAROTHERS. HENTSVILLE, Ala., March 3, 1852.

HENTSVILLE, Ala., March 3, 1852.

Dr. Bernson:—Ser: Judging from the certificates you have already advertised, it will be almost unnecessary for me to add further evidence in regard to the healing virtues of your Compound; but I must say, that for years I suffered a great deal from Dyspepsia and enlargement of the spleen, and thought that I never would recover. I commenced taking your compound about nine weeks since, and have gained 25 or 30 pounds, and feel about as well as I ever did.
